The better class of colored people at Ashland are preparing to oppose the separate coach law.

The Chesapeake and Ohio Railway will abandon the Pullman sleepers on their line, and handle the Wagner vestibule sleepers in the future.

Palos, Spain, will have a Columbus celebration, beginning on August 20th, and lasting till October 3d, the anniversary period of Columbus's voyage.

At Crescent Tobacco Warehouse at Louisville, last week, 5 hogheads Scott county leaf and lugs sold at \$10 to \$5 10, and 4 hogheads common leaf \$8 10 to \$6.

B. F. ELSBERRY of Ironton has leased the Ashland Opera-house. He gives the Oddfellows the receipts for the first three nights and a rental equal to \$800 for the first year.

THERE are over 1,200 trotting associations in the United States and Canada, not counting the numerous organizations not in membership with the National or American Associations.

THE physician who depends upon the gratitude of his patient for his fee is like the traveler who waited upon the bank of a river until it would finish flowing that he might cross to the other side.

PROFESSOR C. J. Hall, candidate for Superintendent of the Schools, is still in Covington, the guest of his son, Sydnor Hall. His friends in the School Board are still claiming they are in the race.

AND now the "Master Plasterers' Association" has been incorporated at Newport. There are only seven people left there to be "incorporated," and we suggest that they at once organize as the "I-told-you-so Club."

FOURTEEN convicts were sentenced to the penitentiary at Lexington Saturday by Judge Morton. The total term of years for the lot amounts to eighty-three. John Parks, the only white person among them, got seven years for robbery.

It has become an old saying, and a good one, too, that when a physician is called in to treat a dying child, and is at a loss to know for what to treat it, he very rarely goes amiss if he treats it for the carache. Mothers would do well not to let this fact escape them.

THE mail received at the Columbus Pension Agency is very voluminous. One night last week there were 50,000 letters in the Postoffice at Columbus for General Mitchell, the agent, all containing pension certificates. This, however, is a regular quarterly occurrence.

THE Brooks-Waterfield Company, Cincinnati, has brought suit against F. J. Davis, of Luby's Mill, for \$75 due on a promissory note. It is alleged that the defendant received an advance of the amount named on his crop of tobacco, which he agreed to consign to the plaintiffs. Instead of doing so he sold it to A. Threlkeld, in whose hands the money was garnished.

It was a blessed rain—for murderers. At Dallas, Texas, a day or two since, police officer Whipple was killed by P. F. Miller, whom he attempted to arrest for living with a colored woman. In the evening a mob gathered, its purpose being the lynching of Henry Miller, murderer of Officer Brewer; G. C. Boulton, murderer of A. Tichie; Charles Henry, who killed one woman in Denver and another in Dallas; and Miller, the slayer of Officer Whipple. The Sheriff resisted the men until midnight, when a heavy rain came up and so thoroughly drenched them that they dispersed.
